Our loving husband, father and grandfather who left us five years ago. The moment that you left us our hearts were split in two one side filled with memories, but the other side

died with you.

We often speak your name and take a walk down memory lane with tears upon our cheeks. Remembering you is easy, we do it every day, but missing you is a heartache that never goes away. We hold you tightly within our heart's and

there you will remain. Sadly life has gone on without you. but will never be the same. Always loved and missed Ruché and Miha
